In progress

Unconsented works at 6111 Russell - Whakapara Road Russell including removal of indigenous vegetation in a kiwi habitat and noted Norfolk pines, damage to a historic pa site, excess earth removal and lack of siltation run off protection resulting in irrevocable damage to protected kai moana gathering area and potential damage to oyster farms in Orongo Bay. I have asked to be kept informed on Council monitoring staff activity on this issue. Council planners are assessing landowner's response to S92 request before issuing consent conditions.

24/07 nothing further to report and no updates received.
