Issues

- Staff requested in depth information from the Paihia War Memorial Hall Committee to be received by Council before end of February. Most of this info was forwarded to Council following the AGM late 2018. Why was the CB not informed in advance of this new process?
- Had a call from Aurecon who have been contracted to put a business case to NZTA regarding road safety. A public meeting is to be held at Haruru Falls as part of the consultation process, along with additional info at the Paihia War Memorial Hall.

Outstanding

- Have received numerous emails for Craft Market Guidelines to be updated in "Paihia Village Green Management Plan". There is an urgency to resolve this prior to the summer season. Chair has requested a report. Some progress on this issue but no questions answered to date.
