

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

The Hokianga Community Gym opened on 1st April 2019 with a blessing and ceremony. We now have 46 members, including institutional members from Hokianga Health and the Fire Brigade and are working with Green Prescription professionals to provide for the fitness needs of our community. The grant from the Community Board has provided vital cardio equipment.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

We have grown from 0 to 46 members of the Hokianga Community Gym in less than 4 months, with new members being added monthly. The Manāki Tinana Trust is now providing fitness classes, activities and equipment to the wider Hokianga community, and working with agencies (like Hokianga Health) to fulfil our Mission to Foster Community Health.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:

Attached is a "Good News Story" written by Sport Northland to be published on their website (www.sportnorthland.co.nz) - the article is currently available on that site. Also attached are photos of the cardio equipment at the gym with a sign acknowledging the Community Board. Finally, we are planning to run a marketing campaign after the weight equipment is purchased acknowledging all of our kind & generous sponsors.
