C. DESCRIPTION OF FUNDING ALLOCATION

1. What were some of the benefits in having the travel fund approved?

Assisting Coaches and whānau to get their players to trainings and games much easier. Lightens the stress many volunteer parents go through to pay for petrol to get to tournaments - especially those who travel from afar like Whatawhiriwhi, Mangonui.

2. In your opinion how did the Far North Rural Travel Fund help your organisation/group increase participation in sport/recreation?

By having more participants increases awareness and opportunity for children and some parents to experience the ranges we run. By helping them - even if a little contribution, shows our commitment, increases our reputation therefore builds good rapport in our communities. Word of mouth is very important. We see an increase every term.

D. FUNDING TIMEFRAMES

Funds must be expended within six months of being received. If funding is not spent as allocated it is expected that the funding will be returned to Council.
