Re: Pukenui/Ahipara walkways WIP

Continued working in the boardwalk ideas getting pricing and engineering consulting from experts. Approximate costings etc. Waiting for meeting with Chris Galbraith, and Darren Axe to take this further.

Have created a new event for the Kaitaia Fire Brigade to run as a fundraiser. Numerous meetings, with the brigade and Iwi, sponsors etc.

Spent days working and planning this event with Dave Collard. Used our experience of running the Snapper Bonanza to get this event going for the Community

Decided to add a fish auction in so people are not just catching the fish to take home, any fish weighed in during the event will be auctioned.

Had a meeting with the Tokerau/Whatuwhiwhi CCTV project committee. They are happy to run a fish auction from the torpedo comp all proceeds to the project.

Helped them with this idea and printed them some leaflets, everything is in place for the event. Very confident it will be a success.
