Name of Activity	Water supply for D'Vine Community Oasis	Date	
Location	Russel Baptist Church	Time	
Will there be a charge for the public to attend or participate in the project or event?		☐ Yes ☒ No	
If so, how much?			

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

Our Community centre has been successfully running for three years now, it plays Host to many activities which include JAM sessions (Local musicians come together to play their instruments), there are youth activities, ladies' health and well-being classes, weddings, hobby groups, we do not have Marae in Russell so we have an occasional Tangi. Everything came to a grinding halt when the country went into Lockdown, but has successfully reopened now to the community and seeing an increase in community use, it is such a blessing to see our community family grow and reconnect with one another after Lockdown. Our activities enable us to reach out to our community members and travellers who require support whether it be with Food parcels or just for conversation connect again with one another. Our community use has increased significantly that we struggle to keep up with the water supply, we purchase bottled water but that doesn't last long and with our soup kitchen that is run during Winter it is essential to have water readily available.

We are approaching the Far North District Council to ask for assistance towards the purchasing of a 25, 000L Concrete Tank we have some funds reserved (\$1500.00).

About a year ago we received permission from Far North District Council for a carpark which is to be done in front of our church building, it has been a growing concern for our member's safety as they currently park alongside the road. Before we can start with the Carpark we need to install the Water Tank.
