

COMMUNITY BOARD MEMBER'S REPORT

Report to: Bay of Islands-Whangaroa Community Board
Member Name: Manuela Gmuer-Hornell
Subdivision: Opuā – Russell
Date: 17 August 2020

Meetings

Date	Meeting
29/07/2020	Workshop Governance FNDC – Kerikeri Domain PGF Fund
05/08/2020	Committee Meeting Russell Sports Club
06/08/2020	Community Board Meeting – Kerikeri/Waipapa

Issues/Feedback

Projects being put on hold even after they had funding allocated.

Jobs getting started (from RFS) and then not finished for weeks.

I have received a report from BOI Watchdog with pound data tracking over the last two years. Data suggest there are fewer dogs been put down and a lot more rescues by BOI Animal Rescue. This makes the effort to rehome dogs positive, but unfortunately, BOI Animal Rescue receives zero financial help for the rehoming of pound dogs from FNDC, this issue should be adequately considered with urgency especially in light of the external funding for Far North Pounds.

The RFS process seems to have stalled since the first lockdown and then again after/during the floods. Hence no RFS lodged! Please sort this process out and if needed, involve more contractors as soon as possible.

It intrigues me that Community Board Members can't contact FNDC staff, but community groups are welcome to meet with staff at Council Meetings.

Roading Issues seem to get the cone treatment and are justified as a "fix" – this is totally unacceptable and dangerous as well as very unsightly – we have several of these around my subdivision, and we get zero replies on followups .

Resource Consents

NIL

Requests for Service/Information

11/02/2020	RFS-3995322	Extra street light Pomare/Florance

In progress

- Robertson Street Stormwater Project to be completed – now a big slip has developed.
- Opuia Resource Consent non-notified for development Franklin St/Kellet St – petition tabled at CB Meeting 3/2/2020 – this has now gone to a full (over 100 attendees) community meeting 8/3/2020 – and we have just been told FNHL has sold the land to a private developer.
- Carpark for Oasis Community Centre – this has been ongoing since 2018.
- Lack of rubbish collection point and recycling collection during peak season around Russell Wharf (owned by FNHL).
- House build planning breach – Chapel St Russell – property has sold – July 2020.
- Footpath Kellet Street – Opuia School – been approved but not carried out.
- Petition Okiato Boundary for paper road RFS-3996575 – tabled at CB meeting 9/12.19 – cost to be carried by petitioners?
- To include re-doing the FNHL terms of reference/objective in their comments about what the next annual plan and long term plan should cover. – tabled at CB Meeting 3/2/2020.
- Walls Bay, Opuia – to be occupied by local hapu.
- Seat Bench by Russell Cemetery to be donated by a local group (the seat was demolished by a speeding car a couple of months ago).
- Speed Limit Review.
