### Issues

**DISABILITY ACTION GROUP** The DAG is planning a full day meeting at Chambers in Kaikohe on 9<sup>th</sup> October 2020. The purpose of the meeting is to develop Strategic Goals and to make an input into the LTP.

The key issue at the meeting centred on footpaths, and a view that the Disability Action Group was not taken seriously by Council.

**CHERRY PARK HOUSE** Members might be interested to know that Cherry Park House has \$15,326 at their disposal. The issues re: moving the kiln, access, and Health & Safety issues remain unresolved pending a meeting with Council Staff.

**COVID-19** With the re-emergence of COVID-19 in Auckland it is clear that there is some anxiety in the Community. There have been a number of cancelations of people who were planning to attend the Daffodil Day fund raising lunches, and the fund raising dinner. It is also interesting to note that Unichem in Kerikeri sold 3,000 masks on Thursday afternoon and Friday morning which again reflects concerns in the community.
