

Tena koutou,

In accordance with standing orders, I hereby propose the following notice of motion for Far North District Council meeting – 24 September 2020.

The motion is supported by Councillors Tepania, Vujcich and Smith.

Motion:

“That Council publicly notifies it’s renewal consent to discharge treated wastewater from the Omapere-Opononi Wastewater Treatment Plant into the Hokianga Harbour’.

Rationale: -

Choosing to publicly notify enables the public to have a say on the way that we manage the treatment and discharge of wastewater at this plant. It shows our commitment to our Te Tiriti partners and that we strive towards the community outcomes in our Long Term Plan, including:

“A wisely managed and treasured environment that recognises the special role of tangata whenua as kaitiaki -

Our natural resources are valued and are thriving . We are safeguarding them for the future and ensuring that they are being used sustainably. We are actively seeking balance in the environment to maintain its life-sustaining properties for everybody to enjoy”

Cr. Kelly Stratford
