Local Grant Application Form

Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

- Te Hiku Kaikohe-Hokianga Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date

Location Time

Will there be a charge for the public to attend or participate in the project or event? Yes No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

Who will benefit and how?

The Hokianga community as a whole will benefit from the campus being set up as a place of learning.

When the equipment and services are put in, the different groups who want to use the facility will be able to apply to move in. At least two groups are ready to start as soon as it is possible.

How will it broaden the range of activities and experiences available to the community?

At the moment, there are no post-secondary educational opportunities offered to Hokianga.

This is a long-term, community-led development.

With the re-opening of the campus as a community facility, many things become available: tree nursery and training, development of local and external programmes for health and wellbeing, short and long courses for a wide range of classes and activities, such as building, horticulture, carving, weaving, art, computing and many others. Maturanga Maori is an important component that has not been available before.

In addition, Te Puna o Kupenuku wants to see the grounds and buildings become a model of sustainability over time, using matauranga Maori and ecological principles as educational opportunities in that process.
