Rename a Public Rd addressed at Peras Rd, Waima	First Preference	Pera Road	1	Apreahama Raneira of Ngapuhi was the great-grandfather of Mrs Mary Ama, the Kaitiaki in Waima of Wharerau Toanga. Aperahama was a prominent member of the community and was nicknamed Pera with recognition of his standing, this road was named after him. Walter Robert Pera, husband of the applicant was also a great-grandson of his. Mrs Mary Ama has given her support and signed on the resident list. The road sign at some stage over the years has had an 'S' attached to Pera. This road was named after one of my husbands ancestors and as there is no 'S' in the maori language, the 'S' that was added possibly when the new signs were made, are wrong and we would like it corrected please		Pera Road
