Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

- Te Hiku
 Kaikohe-Hokianga
 Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date

Location Time

Will there be a charge for the public to attend or participate in the project or event? Yes No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

Everyone who attends the Event will benefit from this activity, especially our Youth Volunteers who will be undertaking tasks and carrying out roles to make the Event happen. A lot of work from locals has been undertaken for the developments and improvements of these 2 parks, so the Event is also an opportunity to share these developments with the community. Families will be inspired by experiencing the events and feeling a part of the developments.

Having these events also gives an opportunity to celebrate our Covid free community after a very difficult year for many of our families - business owners, workers who have lost their jobs financial struggles and children who have struggled with schooling and being disconnected from loved ones in various ways. We would like to bring together our families and communities to share music, food and entertainment in a safe place and positive way.

We hope to make this Event a free activity so everyone and anyone can attend without the barriers of finance.

Our Youth Group will be using these 2 x Movie in the Park Events to learn how to manage an Event like this as we are fundraising for an Outdoor Movie Screen System of our own. This will be a social enterprise to provide more opportunities to upskill Youth while raising funds for Shine on Kaitaia - to provide more fun, free events throughout our Far North region. It will also be made available for Hire for other community groups who want to fundraise.

Our Far North Parks and districts also benefit by being utilised in positive ways
