Subject: Resignation as Deputy Chair

Kia ora Belinda,

In 2018, our Bay of Islands - Whangaroa Community board agreed to add a strategic plan aspiration to annually rotate the Chair and Deputy Chair positions in the next triennium. The underlying aim was to build capacity across the whole board; to enable subdivision accessible succession; and to exemplify a leadership sharing model, we hoped would become more common in council and community spaces.

I would like to breathe life into the aspirations set in 2018, by resigning as Deputy Chair of our board after completing my 1 year rotation from November 2019 to November 2020. I am hoping another member would like to share the opportunity and rotate into the role of Deputy Chair from December 2020 onwards.

Nga mihi nunui kia tatou katoa,

Manuwai Wells
Deputy Chair
BOI-Whangaroa Community Board, Kawakawa/Moerewa Subdivision
