---

### Resource Consents

#### NONE

Either there is a massive decline in Resource Consents or the process of sending them to Community Boards has changed, it would be a courtesy if RC's are not to be sent to CB that we be notified of change.

### Requests for Service/information

**RFS 4028145** re footpath on Inlet Road have been notified that project has been given to contractor.

**RFS 4028150** re signage in Kerikeri Domain, No response as on Nov 2.

RFS submitted re footpaths on Mission Road Responses still not received

Have receive a few brief reply "Our footpaths are to spec" this of course does not answer the question(s) I was attempting to raise e.g. Did FNDC strengthen the footpath to provide for non-permitted activity, did FNDC approve the actions of a subcontractor in charging ratepayers additional funds for strengthening their driveways??

### **In progress**

Windsor Landing (Current information obtained from newspaper no formal response to CB from FNH or FNDC.

Rangitane launching Ramp proposal appears to have been developed by several local business interests and FNH.

Kerikeri Domain Working Group has been established 3 Community Board Members and 2 Councilors and several senior staff The working group has identified some 26 individuals and groups with whom they will engage The RMP undertook substantial public consultation.

The Public meeting with identified was held, and there was consensus on the projects that the KDWG had presented.

The Funding has been confirmed, it is hoped that portions of the project many be underway by early 2021.
