

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

A great day enjoyed by all. Great variety of talent on stage from the region - Kapa haka performance, kids performing skits, Hokianga Country music band really enjoyed. Even a young comedian! Estimated over 1000 attended with 100 involved in the performances on stage.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

It started the process of integrating the wider community in the North Hokianga A&P show. Apart from the side show activities, there hasn't historically been enough for the local kids or communities outside of the Ag & Pastoral sector. The music bands also brought new people along to perform a witch. Also encouraging wider community spirit.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:
