lini / Hapu / Whānau signatures.

The emphasis is not on the number of signatures, the emphasis is on who they represent.

The Ngatikaua / Ngatirahiri are the owners of the largest estate in Waitangi. A large majority, 95% have signed this petition against the Ser-walis. And are calling for the area proposed to be left as is. These are not all signed petitions, there are more out in the community.

Regards

Margaret Taitake.
