

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

It was a really great parade, was really the first big community event since Covid. It was just so great to see the community come together. The floats were once again fantastic. At least 400 participants in the parade with many spectators. A really fantastic event. Thank you so much for supporting the parade.

**Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:**

Bringing everyone together after Covid. But also just bringing all the schools, early childhood centres, community groups together.

There are also opportunities for fundraisers for community organisations as well.

Such as the Red Cross and Soccer Club. Also town was full of people catching up and in the cafes and shops.

**Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:**

We thanked the community board on our posters and road signage. Also in the Business Paihia newsletters, the website ([www.paihianz.co.nz](http://www.paihianz.co.nz)) and of course at the parade in the announcements
