Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

- Te Hiku
 Kaikohe-Hokianga
 Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date

Location Time

Will there be a charge for the public to attend or participate in the project or event? Yes No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

The swing bridge was built in 1993 by the community using funding from the Hokianga Community Board fund and then vested in Council as an asset. The swing bridge was boarded up due to safety concerns since the deck warped several years ago. Two submissions were received during the Long Term Plan submissions requesting that the bridge either be repaired or rebuilt as soon as possible. Staff recommendation noted that the bridge would shortly be demolished - which was completed by Council in May/June 2021.

This project offers a huge opportunity for the Broadwood and North Hokianga community. It provides a rare opportunity to draw more locals and tourists to the area. The project has overwhelming community support, which has led to the securing of some project funding. Completing a feasibility study will ensure that the development is undertaken in a considered manner, with local knowledge and technical experience.

The feasibility study will focus on:

- multi criteria options route, including several bridge types in several locations.
- technical assessments to inform site option include
 - * ~~planning and property,~~
 - * ecology,
 - * landscape architecture/design
 - * survey
 - * geotechnical
 - * ~~structural~~
 - * civil
 - * cost estimation; and
 - * ~~constructibility.~~
- consultation with mana whenua and community.

The feasibility report will also support business case applications for additional funding. It is clear that the \$100,000 set aside for this bridge in the LTP is not going to cover the costs of replacing this bridge and that the community will need to secure additional funding.
