Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

- Te Hiku Kaikohe-Hokianga Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date

Location Time

Will there be a charge for the public to attend or participate in the project or event? Yes No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

Equipment Purchase to share between 4 different entities at Ahipara, being the Ahipara Boardriders Club the Ahipara Surf Life Saving Club, the Ahipara Takiwa roopu, and the Te Wairoa Challenge. Also, the equipment can be utilised by the local Ahipara School through parents at the School using the equipment at the school and public event days.

The intent of the Equipment Purchase is to allow quality equipment to be utilised by a large range of stakeholders across the whole community, to get widescale use by many people in the community at many public events in both Ahipara and the wider area.

The proposed Equipment includes an events trailer that is lockable, and includes a power source, sound and a mic system, amenities for cooking and food prep, and also shelter and seating.

In the new COVID environment a lot of activities and events are being held outside and this events trailer allows for a fast and effective setup in many locations for all types of outdoor events. This will allow for many years of events for the whole community, and in events such as the Ahipara pump track opening etc this events trailer can provide for community events for all of the community in existing outdoor spaces.

Instead of the 4 different entities applying for funding seperately. it is considered to be much more efficient to approve this funding for quality equipment to share and utilise between many stakeholders.
