Please briefly describe the purpose of the organisation.

Please briefly describe the purpose of the organisation.

The R. Tucker Thompson Sail Training Trust operates a tall ship youth development programme funded by tourism activity, patrons, grants and sponsorship. The mission of the R. Tucker Thompson Sail Training Trust is: *Learning for Life through the Sea.*

Through the values of kaitiakitanga and whakawhānaungatanga we act in three areas:

Tangata - People	Turangawaewae - Place	Waka - Ship
Make a positive difference to the lives of those who come on board, whether for a day, a week or longer	Allow those who sail in her to learn more about who they are, where they come from and where they are going	Embrace the values of Kaitiakitanga; preserve the tradition of tall ship sailing and specifically the R. Tucker Thompson

Our primary purpose is youth development, focused on rangatahi from Te Tai Tokerau. Annually we take approximately 200 taitamariki, aged from 13 to 18, on 7-day voyages on the tall ship, the R. Tucker Thompson.

The Youth Development programme has focused on youth development since 2006. Key measurable outcomes include:

- Improved self-confidence
- Improved ability to build relationships
- A better understanding of their own strengths
- A strengthening of personal identity
- The development of leadership skills

Historically we would raise funds through tourism to support the youth development programme; we have consistently raised approximately \$200,000 each summer to subsidize each placement. Unfortunately, due to COVID-19, for the last two years we have not generated revenue. The impact of the pandemic, coupled with a 7-week breakdown this summer costing \$100,000, means we are seeking alternative funding support. We have excellent reserves in place for a breakdown such as this, but we require additional support please.

Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

☒ Te Hiku ☐ Kaikohe-Hokianga ☐ Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date

Location Time

Will there be a charge for the public to attend or participate in the project or event? ☒ Yes ☐ No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

We are applying for these funds to sponsor a rangatahi specifically from the Te Hiku Ward. The trainee can be selected by the Community Board or we can work with local schools and iwi to ensure this funding benefits youth within the Ward.

We work with rangatahi from 13 to 18 from Te Tai Tokerau. We have over 200 young people each year from Northland of which 65% are Māori. Tikanga Māori, education, new experiences and a focus on belonging underpin delivery.

Environment: Whakawhānaungatanga is our guiding principle. We focus on creating a sense of belonging, demonstrated through deliberate inclusivity and acceptance.

Education: A structured programme is delivered. Crew deliver modules on Safety at Sea; Meteorology; Sailing and Seamanship; Polynesian Celestial Navigation; Marine Navigation; Sustainability, Pollution and Recycling; Marine Wildlife; Financial Literacy; Food and Nutrition; Fishing; and Environmental activities. A specific talk on careers and post-school planning is also delivered.

New Experiences: Like many adventure education programmes, exposure to many new and unique experiences and challenges creates and strengthens neural pathways that support improved coping skills and decision making in the future. The tall ship experience is no different. The Trainees learn traditional sailing skills, climb the mast, swim, collect seafood, walks ashore and engage in many other outdoor activities.

Tikanga: Te Ao Māori approach is woven into the programme. Over 65% of the Trainees are Māori; our crew members are Maori and NZ Pākehā. Relationships are Tuakana- Teina in nature and tikanga is foundational in our delivery.

Evidence of outcomes

Otago University Research: In addition to assessing the effect the voyages had on psychological resilience, self-esteem, and positive outlook, the research was also looking to determine the contribution of *whakawhānaungatanga* or collective identity to these outcomes. The quantitative research found that:

- Both Māori and Pākehā Youth displayed a significant increase in **Resilience** as a result of the voyage. Maori youth had a significantly lower level of resilience at the beginning, but were comparable by the end. [View here.](#)
- Pākehā youth showed a moderate increase in **Self-esteem**, and Māori Youth a significant increase: directly compared, Maori Youth reported significantly lower levels of self-esteem at the beginning but at the end the levels were comparable.
- Both Māori and Pākehā Youth displayed a significant increase in **Positive Outlook** as a result of the voyages.
- The survey found that both Māori and Pākehā Youth benefited from a sense of **Collective identity** but that it was not directly related to the shift in self-esteem or positive outlook.

Furthermore, [qualitative research indicated](#) that the group identity formed on the voyages was experienced by all participants, but was potentially more salient and meaningful for the Māori trainees. Researcher Hitaua Arahanga-Doyle stated that this “also lends support to the previous findings that social identity development in the voyage group is more strongly linked to resilience and positive outlook for Māori when compared to the NZ European trainees.”

The Trust is in discussion with the University about further longitudinal studies and is also considering economic impact research to further strengthen the evidence of our outcomes.

We are partnering with different tertiary and work placement organisations such as CompeteNZ, NorthTec to connect our Trainees to apprenticeships, work and tertiary study.

From this last year’s survey of trainees, there were a number of benefits in terms of wellbeing, including

- 82.61% were more confident meeting new people
- 73.91% felt more positive/happy/relaxed
- 72.46% felt they had gained leadership skills/take on responsibility
- 65.22% were more self-confident
- 59.42% had better understanding of people
- 57.97% considered they were better able to tackle problems
- 49.28% enjoyed a chance to be involved in decision making
- 42.03% said they liked themselves better
