## Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

Te Hiku       Kaikohe-Hokianga       Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity	Community vaccination and desexing programmes	Date	Ongoing
Location	Entire Far North Community	Time	N/A
Will there be a charge for the public to attend or participate in the project or event?			<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If so, how much?			

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

The Bay of Islands Animal Rescue (BOIAR) has run a vaccination and desexing programme for dogs in the Far North since 2018 in an effort to alleviate stress on the community and the Council pound system. Our desexing programme helps ensure that less unwanted litters are born, which limits the number of stray and roaming animals and helps protect both dogs and the community, as well as ease numbers in the pound. Our vaccination programme ensures that the spread of diseases (such as Parvo) is slowed in our communities. Essential for the welfare of our animals, vaccination also helps to reduce the stress on Council to treat and put down infected dogs when they are impounded.

The BOIAR reaches out to those who would not normally visit a vet or interact with Council, meaning we are able to educate those harder-to-reach members of the community around dog care and ownership. For example, when organising a Dog Day in Horeke to encourage owners to have their dogs chipped, vaccinated, and desexed, the local group that had requested the event was unwilling to invite Council along, stating that many would not attend if Council staff were present.

The BOIAR has been working closely with the Council for the last few years to treat, rehabilitate, and rehome unclaimed dogs in the pound so that they can be safely reintegrated into the community and remain compliant with Council's Dog Policy and Bylaw. The pound regularly releases adult dogs into the BOIAR's custody when they need medical treatment the pound is not equipped to provide or when an animal has not been rehomed within nine days. The BOIAR takes on the full cost of treating and caring for these dogs until they are successfully rehomed.

While we feel that we should be funded by the central government, the reality is that we are not. Our vaccination and desexing programmes are ongoing and will never stop being offered to our community, nor will we turn our backs on a single animal in need. However, with vet bills for the previous financial year totalling \$495,000 and the BOIAR surviving off donations and the occasional grant, we are constantly seeking financial assistance to ensure that all of the animals in need of care receive it.
