

## NOTICE OF MOTION

### ADOPTION OF CONCEPT PLANS

I, Adele Gardner (Te Hiku Community Board Chair) give notice that at the next Te Hiku Community Board meeting to be held on 20 September 2022, I intend to move the following motion:

#### **MOTION**

**That the Te Hiku Community Board adopts the concept plans for the following areas:**

- 1. Houhora Heads/Pukenui**
- 2. Karikari Peninsula**
- 3. Doubtless Bay**
- 4. Hihi**

**These Plans will guide the incoming Board for 2022-2025 in identifying projects that will subsequently be used in confirming and allocating funding within its strategic planning and the Council Long Term Plan. The Plans will enable the Board to understand community priorities and guide the Board's decision making and funding allocations in a way that will meet the needs of communities and promote the social, economic, environmental, and cultural well-being of communities as required by the Local Government Act 2002.**

#### **RATIONALE**

The Te Hiku Community Board has been engaged in preparing concept plans for Houhora Heads/Pukenui, Karikari Peninsula, Doubtless Bay and Hihi. These are attached for adoption so that they have recognition within the system and can be used as a basis for funding allocation and forward planning, including within the Board's strategic plan and the Council Long Term Plan.

Concept Plans are prepared as valuable tools that enable the Board to consult widely and understand community priorities that will assist with decision making and funding allocations. For this reason, the Board wishes to receive the above concept plans as a basis for achieving this purpose.

I commend this Notice of Motion to the Te Hiku Community Board for consideration.
