Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

- Te Hiku
 Kaikohe-Hokianga
 Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date

Location Time

Will there be a charge for the public to attend or participate in the project or event? Yes No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

Kaimoana Queens is a group of wahine who are enthusiasts of all things about the moana. Fishing, diving, coastal foraging, care for the moana, are things we all discuss and collaborate over. This will be the first of multiple camps/wananga that Kaimoana Queens will host for wahine all around Aotearoa. Because the founders are all based around Te Tai Tokerau we want the first to be done in our area. The attendees will benefit from the wananga in terms of upskilling through sharing of knowledge from experienced fishers and divers. Other benefits include but are not limited to: learning water and dive safety, being able to learn in a controlled, safe environment as some attendees are relatively new learners. Forging new friendships and taking part in something that helps to build confidence, and supports both good mental health and physical health

Kaimoana Queens then want to branch into collaborative work to see attendees receiving qualifications to do with water safety, free diving, and scuba. This overall will help expand the minds of those attending to see whether careers in and around the water are something that they may be interested in and we can help explore this as a potential pathway.

The camp itself will be over 3 days with a maximum of 30 attendees. Day 1 is settling in to camp, whakawhanaungatanga, presentations by experienced fishers/divers and learning the basics of rigging/setting up fish and dive gear and water safety considerations as well as allocating groups/buddies.

Day 2 is both fishing and diving, with experienced and qualified leaders/charters. End of Day 2 is a hakari, cooking all of the goods gathered throughout the day and feasting together. Day 3 is both fishing and diving, with the food all being prepped for the camp attendees to take home to share with their own whanau.

Throughout the camp there will be leadership development and teamwork elements.
