Event Information

Event Name:
 Kerikeri Vertjam 2023

Event Location:
 Kerikeri Skatepark, Kerikeri Domain, Kerikeri

Current event status (new or existing): [If existing please explain when and where it was held and how many people attended]
 Existing, it has been held at the old skatepark in past years
 & at the partially completed Skatepark last year. it yea

Event concept: [200 word summary about what attendees can expect to experience]
 An exciting Vert Skateboarding contest at the Kerikeri Ramp, attracting national & international skaters on Friday night with Bleachers for better audience viewing. In combination with a bowljam contest again attracting International & National Skaters from all over NZ on Thursday afternoon/evening, & a free learn to skate community class on Wednesday. We are involved in the organisation of the Mangawhai Bowl Bash skate event, & by holding this event 4 days after the Mangawhai event, it gives both events a much more significant reach, as international & national competitors want to be able to go to 2 or more events to make the trip over (& up to Northland) worthwhile. By having these events held days apart it keeps visitors in Northland moving between Mangawhai & Kerikeri. This event will be shared widely on social media & we have confirmed interest of skaters from Japan & Australia & families travelling to Northland for this. The event now needs scaffold/seating to be able provide better viewing.

Audience profile: [Who will attend the event, who is your primary target market and why]
 We believe watching short format skateboarding events is exciting & accessible for all. Especially if the calibre of Skateboarding is at a great level, which it is when attendees are nationally & internationally based & traveling to events. These events usually grow year on year (reference Mangawhai). We currently have confirmed National Skaters from all over NZ (many of NZ's Olympic hopefuls) & international skaters. Most of these attendees come with families & friends who rent accommodation etc. locally. We anticipate that with better seating areas & the change of date/proximity to the Mangawhai contest we will be able to keep more skaters in Northland & attending both events. The audience profile at these events is usually very varied, from families traveling whose children are learning to skate / wanting to skate. Along with many groups who have been to a good skateboard contest in the past & travel to them. If we have the budget Manual magazine will provide a photographer that gets the Kerikeri Skatepark in National media.
