 This camp started in 2019. The first one was very successful and feedback from the
 participants were that they enjoyed the experience and that they were looking forward to the next event.
 COVID-19 we have seen the importance and emphasis of doing activities and community-
 led initiatives that enhance our mana, wairua and connection with each other. Men in Aotearoa
 hold large statistics of lived experience of mental health, and suicide. We believe that this program is extremely beneficial to
 men in our area, that can serve as a reminder of the importance to prioritise well-being and companionship.
 We will do this by helping to develop life skills, as the men participate in boat fishing activities,
 and other outdoor activities. By being together in an outdoor setting, whakawhanaungatanga,
 encouraging one another and sharing life experiences. We have group leaders who share their own life experiences and
 journeys, and in future if we can secure further funding, we can invite
 guest speakers to participate in this event. Through this practical event we can support the men
 in our community to have the space to be open and honest with their peers, to have kinship.
