Giant colourful Angel Wings symbolising Diversity, Equity and Inclusion in our community. This art is to be installed on the back of the toilet block by the playground in the Kerikeri Domain. These colourful Angel Wings will add value to our town and community.

The 3D wings will measure just under 4mt high x 4mt wide. This is an instagrammable Art feature in Kerikeri that will symbolise our very diverse community and add to the kōrerō around inclusivity and equity.

We have ensured authentic community involvement by engaging schools across the local hapu rohe; including Kerikeri and Purerua Peninsula district, the Rainbow Rangatahi group, retirement villages and the general community. Members of these organisations have designed the feathers. Community members will recognise their own designs within the 200 feathers on the wings.

Bald Angels have funded the cost of material, paper and printing, admin and management to date.

The project is well under way and ready to move to the next step which requires funding. This step involves digitally scanning, enhancing and printing onto fit for purpose material that is graffiti and damage resistant. The quote is attached.

The next step is to build framing for the wings to sit on. We have local builder, Henwood Construction willing to donate/volunteer this work.

If the BOIW Community Board can support the funding, we hope to have the colourful Angel Wings installed before the dull winter days really settle in.

Appropriate signage at the site will acknowledge the sponsors and funders.
