

At the completion of a project that received community funding, recipients are required, as stated in the Community Grant Policy, to submit a Project Report to the Community Board. Project Reports are to be received no later than two months after the completion of the project or if the activity is ongoing, within two months of the funding being spent.

Applicants who fail to provide a project report within the required time will not be considered for future funding.

Give a brief description of the highlights of your project including numbers participating:

The aim of this project was to survey the Rawane community to gauge community aspirations for the provision of health and fitness training, current services offered by Hokianga Community Gym, and how the gym could better meet community need.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

28 stakeholders took part, across the two consultation projects. Many of the stakeholders represented sports and fitness clubs, interest groups and Hokianga Health and Mental Health Unit. There was widespread support for an extension of gym services and facilities

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:

This consultation is the first step in a project aiming to build an extension for the Hokianga Community Gym which has 164 members and growing. The gym now has capacity issues and is renting other premises to meet need. We will continue to work closely with the Community Board and other Rawene Domain users in the creation of a Hokianga Community Hub.
