Community Issues

Omanaia road slip – up to kura RFS 415 7497 and others	School closed since last Tuesday – first email received said contractors contacted – but would need prioritising and they would be in touch. Contact made to elected member councillors to have their support to urge this work to be done. Notification received today now safe to use. School re opens 18/5/23
10/5/23 Localism Procurement	We have local businesses that are qualified to tender for and carry out work – maintenance – roads, culverts, drains, slips, footpath repairs and renewals, new builds and upgrades in South Hokianga. What is the process to become approved, tender for jobs? Employing our own qualified businesses for work required makes absolute sense. Hokianga is not on the priority list for road maintenance etc. Our own would make us a priority. What is the process for procurement and is it an achievable process for our small local businesses
Ninihi Road, Otaua RFS 4140344 RFS - 4143310	One of the communities reaching out is Otaua. Contact AW, and BW residents of Otaua. Lodged RFS –Dust suppressant Urgently needs addressing Public forum – a roopu from Otaua attended our KHCB hui 15 March Voiced concern over their Kohanga Reo not being eligible for tar sealing due to it being run by Te Kohanga Reo Trust not ministry – Disgraceful – this must be addressed NOW!! In the process of arranging hui with the residents

<p>Kokohuia road RFS numbers are</p> <p>March 2022/ 4096801 & 4102733 Aug 2022 / 4122511</p> <p>RFS:3898749 There are others</p>	<p>Historical RFS put through from many Kokohuia Road residents. I have noted some of these RFS numbers.</p> <p>A site visit is needed to Kokohuia Road – not done with NTA at footpath site hui.</p> <p>An elected member site hui with be appropriate to see first-hand the state of this road.</p>
<p>Fire Hydrants Omapere/Opononi RFS: 4135612 Date: 21.11.22</p>	<p>Hydrants marked along SH12 - Resolved</p> <p>UNRESOLVED: Far North Waters (FNW will also need to do planned maintenance of some of these SH hydrants as H&S issues due to placement in the roads. Traffic Management may need to be arranged.</p> <p>UNRESOLVED HEALTH & SAFETY</p> <ul style="list-style-type: none"> The hydrants that are difficult to work with the hydrant stand / key are old style hydrants that will need additional investigation. They require full replacements. With urgency <p>A call out to Manea on Hokianga Harbour Drive, fire fighters found the hydrant inaccessible full of metal. Hard to open</p> <p>FNDC GIS Map updates</p> <p>FNDC worker will request GIS team to provide updated maps for the fire brigade as part of this exercise.</p> <p>Much still to do, but progress is being made, again urgency required on these matters.</p> <p>Still being worked on – URGENCY REQUIRED</p>
<p>NOTIFICATION OF HEARING – 15-19 MAY 2023</p> <p>RESOURCE CONSENT APPLICATIONS APP.003839.01.03 AND APP.002667.01.04</p> <p>FAR NORTH DISTRICT COUNCIL - Opononi/OMAPERE AND KOHUKOHU WASTE WATER</p>	<p>Attended the hearing Tuesday 16 May 2023 with Kura o Omanaia He kura A iwi – where Ngati Kaharau me Ngati Hau presented. Our community in Hokianga across all hapu, whanau, hapori are absolutely against THE ONGOING PARU INTO THE HARBOUR – I AM SO PROUD TO HAVE STOOD WITH OUR COMMUNITY ACROSS THE HEARING</p> <p>Paru in our Harbour – WE MUST address this region wide as the elected members of our region Te Taitokerau – we must gather ALL our expertise NOW to ensure this is not allowed to occur, we must as members elect, delve into the RMA and our processes to seek out ways to have this stopped.</p> <p>Kaka and Tiko into our Pataka Kai no more!!!</p>

<p>TREATMENT PLANTS</p> <p>THIS HEARING WAS HELD AT RAWENE TOWNHALL –</p>	<p>The principles within Te Tiriti o Waitangi govern that Māori have control of our Taonga – this is our ancestral waters our whakapapa This desecration MUST STOP We the council need to be the solution not the cause. I encourage that we drive this to be region wide across all our harbours and waterways</p> <p>Mauri Ora koutou katoa</p>
