Purpose of organisation

Please briefly describe the purpose of the organisation *

Our purpose is to help tamariki and rangatahi realize their potential. We do this by helping tamariki and rangatahi develop true self confidence and real skills for later life through delivering both the Kiwi Can and the Ngā Ara Whetū (Career Navigator) programmes every week of school.

The Graeme Dingle Foundation in the Far North have been delivering the Kiwi Can programme for over 20 years. We focus on how to build positive relationships and resilience. These are all soft skills that are, sadly, lacking in some homes and are corner stones for personal development and being a responsible citizen. Research and evaluation by the Graeme Dingle Foundation in collaboration with the University of Auckland and Massey University shows that our programmes are highly effective. The findings showed reduced offending, improved attitudes and behaviour at school and at home, improved academic outcomes, greater self-confidence, resilience and wellbeing.

Project outline: *

The Graeme Dingle Foundation Far North is based in Kaeo but influences and supports the development and wellbeing of nearly 1200 school aged tamariki and rangatahi aged from 5 to 18 years every week of the school year across communities in the Far North. This has a flow-on affect to whanau, communities and employers.

How do we do this? By delivering both the Kiwi Can and the Ngā Ara Whetū (Career Navigator) programmes. We have been delivering Kiwi Can for over 20 years to communities in the Far North.

What are our programmes? Kiwi Can is a values and life skills programme that teaches self-respect, respect for others, and healthy relationships. The values underpinning Kiwi Can are explicit in the programmes four themes namely: Whakawhanaugatanga (Positive Relationships), Pono (Integrity), Taikaha (Resilience) and Manaakitanga (Respect). Each theme has a series of modules to support it, for example Whakawhanaugatanga (Positive Relationships) is underpinned by the following modules – Positive Communication, Cooperation, Friendship, Fairness, Leadership and Conflict resolution.

Ngā Ara Whetū (Career Navigator) is a mentoring programme and is based on the Te Ao Māori framework of Tuakana (older sibling) mentoring their Teina (younger sibling). Senior students mentor year 9 students as they transition into college life. The same senior students are mentored by members of the community. Often, this will lead to jobs for these

students and/or further tertiary study.

What is our scope? The Kiwi Can programme is delivered to eleven schools and over 1000 primary school students at Te Hapua, Ngataki, Kaingaroa, Taipa, Peria, Mangonui, Oruaiti, Totara North, Matauri Bay, Te Kura o Hato Hohepa and Kaeo School.

Ngā Ara Whetū (Career Navigator) is delivered to approximately 160 students at Bay of Islands College in Kawakawa and suitable mentors are selected from the local community.

Both programmes support students to become positive role models in their school, home and community.

Why do we do this? All of the schools that we work with, score high on the Ministry of Education Equity Index (EQI). Essentially, the higher the EQI score, the more socio-economic factors exist in the community where the school is located that may affect student achievement. The weather events in the Far North this year and the impact of Covid over the last three years, have placed a strain on our community, but particularly young people. School closures meant that young people weren't able to connect with their peers or receive face to face lessons.

What is the impact? Kiwi Can enables students to confront these challenging times with a positive mind set and resilience. We teach them how to form and shape positive relationships.

Research and evaluation by the Graeme Dingle Foundation in collaboration with the University of Auckland and Massey University shows that our programmes are highly effective. The findings showed reduced offending, improved attitudes and behaviour at school and at home, improved academic outcomes, greater self-confidence, resilience and wellbeing.

Purpose of funding application. We have been based at Kaeo School in the old dental clinic for a number of years. We do not pay rent but offer an annual koha. On 23 June 2023, we will need to leave the premises as the school buildings are renovated.

We have identified FNDC premises above the Kaeo Library as a potential base from where we can operate. The premises costs \$401.04 (incl GST) per month. We are seeking a two-year lease, total cost \$9624.96 (incl GST). We are seeking the full amount.

Project Cost

Provide a detailed cost estimate for the activity. Funding requested may not exceed 50% of the total cost.

Total Cost - provide the **total** amount of the estimated quoted cost against the appropriate item.

Amount Requested - provide (against the item) the amount the Board is being requested to contribute.

Please Note:

- You need to provide quotes (or evidence of costs) for everything listed in the total costs column
