Our main objective is to minimise the negative impact of cats on the community and our shared environment, both urban and rural. We hope to achieve this through the effective and humane management of cats. CCCR always encourages responsible cat ownership and the need for de-sexing to control cat populations alongside mandatory identification (microchipping).

We have just been awarded a \$40k rolling contract in collaboration with the SPCA and BOI Vets to de-sex cats in the community.
