Project Outline

Outline your activity and the services it will provide. Tell us:

- **Who will benefit from the activity and how; and**
- **How it will broaden the range of activities and experiences available to the community.**

Project outline: *

On the 21st of October 2023 Peria School will be holding their 150th Jubilee. We are one of if not the oldest school in the North. We have 70 students from year 0-8 at our school, 3 teachers, 4 teacher aides, cleaners and administration officer. We are a very small school at present and we have a lot to organise for this event with limited support.

We are holding a one day event and inviting any one that has a past, present or future interest in our Kura. Over the years our school has fluctuated from a roll of 120, down to 30 and now back up to 70 students again. This is a huge achievement given our geographical location and limited housing.

The event will be an opportunity for our community, those from out of town that were a part of our school either as students, whānau or staff to come together to share memories from the rich history of Peria School.

Our goal is to have decade photos, cutting of the 150th jubilee cake, the opening of a time capsule that was put in place roughly 25 years ago, a formal lunch and presentations and performances.

Our community is very isolated and we rarely get opportunities to come together. Having this event fun on a Saturday and ensuring that all are welcome will be great for community spirit and moral after the isolation covid has caused.

Its also an opportunity to showcase how far the school has come and how great we are doing at rebuilding our school with a clear vision and direction for the future.

Project Cost

Provide a detailed cost estimate for the activity. Funding requested may not exceed 50% of the total cost.

*Total Cost - provide the **total** amount of the estimated quoted cost against the appropriate item.*

Amount Requested - provide (against the item) the amount the Board is being requested to
