## GENERAL INFORMATION AND GUIDELINES

Ensure that road names are not duplicated in the Far North District (both spelling and pronunciation to be considered); this includes same road names with different suffix. To do this, please use [www.google.co.nz/maps](http://www.google.co.nz/maps) and search "proposed road name (excl suffix) Northland" to check if proposed names may be duplicates.

Ensure that road type appropriately matches the definition of the suffix, such as 'road', 'avenue' etc. Road names without a suffix are now strongly discouraged (e.g. Broadway). The following definitions provide a guide, but please note that other appropriate suffixes that are not in this list may be used.
