Project Outline

Outline your activity and the services it will provide. Tell us:

- **Who will benefit from the activity and how; and**
- **How it will broaden the range of activities and experiences available to the community.**

Project outline: *

The community has wanted CCTV cameras for quite some years now. We had sought quotes and were only able to get one provider; Northland CCTV willing to give a quote. We are part of the Far North group who were putting forward an application with the Proceeds of Crimes Fund, however after two years this has still not opened and crime continues to occur in our community. Getting cameras would assist the police in their work too as well as keep our tamariki and elders safe in the public areas around parks, shops and entrances into the community. We have a large application with Foundation North but need assistance with the equipment needed at either the Fire Station or Rugby Club to record and transmit back into Kaitaia.

We have a quote from Northland CCTV but it won't upload as too big so I can send it separately in an email.

Project Cost

*** indicates a required field**

Provide a detailed cost estimate for the activity. Funding requested may not exceed 50% of the total cost.

*Total Cost - provide the **total** amount of the estimated quoted cost against the appropriate item.*

Amount Requested - provide (against the item) the amount the Board is being requested to contribute.

Please Note:

- You need to provide quotes (or evidence of costs) for everything listed in the total
