

Give a brief description of the highlights of your project including numbers participating:

The 40 years memorial tournament saw a number of whanau return home to participate in the sports, come and watch the games, and support local Marae stalls. Whanaungatanga, manaakitanga was a highlight over the weekend, there were well over 2000 people over the 3 days. Starting with a powhiri and dinner at Wainui Marae.

Describe the main findings in your evaluation of the project/event; describe how your project/event benefited the community:

This event projected extra money into our local stores, as well as our Marae the Rugby Sports Club. It brought many home where some would of stayed in camps, motels etc. Having family come home to catch up with whanau, and whanau helped them with any jobs that needed attending too.

Please provide details and attach or email photos and/or any marketing collateral that was produced for your event/project acknowledging the Community Board:
