### Project Outline

**Outline your activity and the services it will provide. Tell us:**

- **Who will benefit from the activity and how; and**
- **How it will broaden the range of activities and experiences available to the community.**

#### **Project outline: \***

We have been constructing a shared pathway from Russell to Okiato using FNDC land and the Road parcel. We have worked with Elizabeth Stacey from Northland Transport Alliance and FNDC to create a shared pathway that is currently 7.5 km. About 2.5 km is on the road and we have made a 2.5 metre wide track on the other 5.00 km.

Our project is in the current LTP but is not in the current draft LTP due to funding constraints. We received funding previously for signage from the Community Board - \$3000, but we have spent over \$5000 on signage.

The project benefits locals and tourists. Our current tracks are being used for exercise and the working bees we have to clear weeds or plant new plants give locals a great sense of well being.

We have support of the Pou Herangi Tai Twin Coast Cycle trail. It will connect the cycleway from Opua so that people can then cycle from Russell to Opua to Horeke.

The project will be maintained by the community. There will be no additional operational costs to the FNDC. This is already happening.

We are a charitable trust and our Charities Commission Number is CC28571.

We have already received "in-kind" donations from Bonus Contracting, Russell Contracting, Northland Ferries, Harnett Builders, Kia Tupato Security and Traffic and hundreds of volunteers. I am the "project manager" and my work is "in-kind" too.

It is our intention to acknowledge all the people and businesses who have contributed to the success of the shared pathway by placing signs up at exit and entry points to the track - "With thanks to.....".

We have a proven track record of delivery. On Monday 24 June we are taking FNDC Councillors, FNDC Community Board members NTA staff, Pou Herangi Tai Trust members on a tour of our work so far.
