Project Outline:

Sportsville are asking for assistance to replace the old fencing along the Mangakahia Road side of Lindvart Park. Our local sports teams have had ongoing issues with vehicles accessing Lindvart Park and destroying the fields, leading to health and safety issues for users of the park due to mud and ruts. Some years back Sportsville worked to overcome this by putting in fencing right around the park where there wasn't existing fencing. Recently Sportsville have fundraised to build a brand new sports facility in Recreation Road. As part of this build they have had to replace the fences around that area. These new fences look fantastic but have highlighted that the rest of the old fencing is badly in need of replacement with missing fence posts and sagging wire. We are asking in particular for assistance to pay for fencing along Mangakahia Road as that is the most obvious fencing in need of replacement, but the fencing along Recreation Road to the new build and along Penney Crescent towards Hockey are also rather sad and tired. Replacing these fences will really make a difference to how the main sports fields in Kaikohe look for all the sports teams and visitors who come to use the venue. It will also match in with the brand new building, public toilets, car park and fences around the Recreation/Raihara area. Replacing the fences with new fences which keep out dirt bikes better will lead to better facilities for all sports teams who use the place. The quote we have been given also allows for a couple more entrances along Mangakahia Road allowing ease of access to pedestrians and school users. The quote we have provided is from Aaron Treadwell, a local fencing contractor. He has built both previous lots of fences for Sportsville and we have been very pleased with his work.
