The purchase of the van has enabled us to carry out trapping jobs in the community and transport cats to the vets and back to the shelter.

We have been able to attend the Packhouse Market weekly with all of our tables, crates, gazebos and cats for adoption. This has enabled us to interact with the public and not only adopt cats but also get our name out there so that people can contact us if they need any help.

Numerous trapping jobs and desexes have come about because of our presence at the market.
