Matters for Discussion

This section should be completed for matters which the elected member wishes to raise with wider Council, Community Boards and/or in relation to delivery.

- Currently working through a list with 4 Councils and Stakeholders as to the priority for the North. RIF fund was opened on the 1st of July. This requires further socialisation and feedback to ensure that we do not miss the mark.

Member Report

- Our waters situation is improving in terms of our regulatory and legal compliance. Thank you to CEO and the wider Council team for their ongoing efforts in bringing this to a head.
