Tēnā koe

We are contacting you to notify you of the requested lease and invite iwi and hapū feedback on the proposed lease.

Kaikohe & Districts Sportville Incorporated have been responsible for the management of Lindvart Park, Kaikohe, since 1 January 2018. Their goal is to promote sport in Kaikohe and surrounding areas, making it accessible to all.

Kaikohe & Districts Sportville Incorporated has recently opened the newly developed sporting facility, Papa Hawaiiiki, on Lindvart Park. The complex consists of two indoor multi-use courts, meeting room and viewing platform. The building has been designed to provide accessibility for all.

The complex intends to bring basketball back to Kaikohe and grow this sport and others including volleyball. The complex offers volleyball and other indoor sports to the community and the wider area of Hokianga, allowing people who had to travel or couldn't travel, to access numerous sports.

The group has approached Council and requested a new lease over the Recreation Reserve. The proposed lease term is 30 years, broken into 3 x 10 year terms.

As the lease is over Recreation Reserve, public consultation will be required – should this be granted by Council, you will be notified of the commencement of this.

If you would like further information, discuss this proposal further, have any questions or want to share feedback, please do not hesitate to get in contact with Michelle Rockell at [michelle.rockell@fndc.govt.nz](mailto:michelle.rockell@fndc.govt.nz).

Yours sincerely,

Trent Blakeman

Acting Group Manager – Delivery & Operations
