Kiwi Can delivery in Term 4 enabled us to support over 800 tamariki across the Far North with life skills development for some of our most isolated tamariki. Each week our Kiwi Can Leaders travelled hundreds of kilometers to engage, enable and empower tamariki through high energy Kiwi Can lessons involving life skills development like resilience, respect for themselves, each other and their community, integrity and taking accountability for their actions, and fostering positive relationships.

Describe the main findings in your evaluation of the project/event; describe how your project/ event benefited the community:

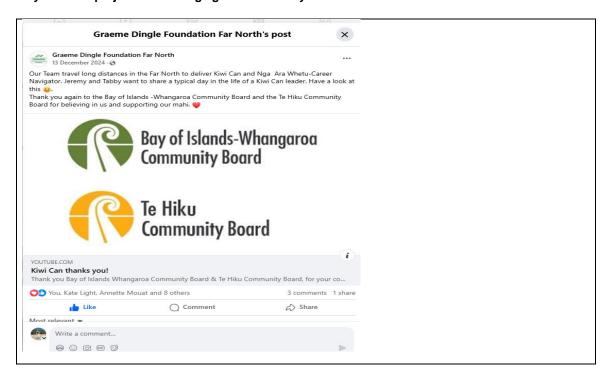

In Term 4 our Research and Evaluation team produced an outcomes report from surveys carried our at Ngataki School and Te Hapua School, the two most Northern Schools in the region, and in Aotearoa. These two kura have some of our most isolated tamariki in New Zealand, but Kiwi Can enables them to develop life skills to help them reach their full potential and thrive, regardless of their backgrounds. Some of the findings from the surveys included:

- 91% of ākonga said Kiwi Can taught them to feel more confident in themselves
- 87% of ākonga said Kiwi Can helped them get on better with other ākonga, even when they do not agree with them
- 82% of ākonga said Kiwi Can helped them to do the right thing, even when no one is looking
- 86% said the Kiwi Can Leaders make them feel like they can try new things

Give a brief description of the highlights of your project including numbers participating:

Saturday 7th, we had an All Day Tournament, that was attended by People, followed by a Centenary Afternoon Tea, which was attended by current members, Adine Gardener our local Council member and invited guests, including past members. A wonderful day and afternoon, with a special centenary cake made by Ros O'Malley of he Doubtless Bay Club. Comments were made that people looked out and saw a sea of blue shirts, all club members wore their new club shirts, they were much cooler to wear and made us all look very much a proud club. Saturday night we had a lovely dinner with 24 people attending from Kaitaia and Whangarei clubs. Sunday 8th, was a fun day tournament, people were encouraged to dress up and there was with competitions involving old mallets and lots of laughs. We provided a catered lunch and prizes also for best dress and participation in the various games.

Describe the main findings in your evaluation of the project/event; describe how your project/ event benefited the community:

On Saturday 7th, KCC opened the weekend of celebrations with a speech from the President; Pene Brunker, speech also from Darla Blake, representative from Croquet New Zealand. The first day was a All Day Tournament with 28 players from all of the clubs in Northland.

A Special Centennial Afternoon tea followed the days play, with invited guests and old Players, including Adine Gardiner.

This was followed by a Dinner at the Orana Motor Lodge that was attended by 24 people.

On Sunday, the focus was a Fun Day with a variety of skills games and this was enjoyed again by 28 players from various clubs. There was a catered lunch on this day, and further activities in the afternoon.

The club received a range of accolades from visiting players: They were impressed with the new Shirts of the club members, the standard of the grounds, clubrooms and the efforts made to keep players hydrated, well fed and shade available, as both days were hot. One club, said they were taking notes on the organization of the celebrations for their own centenary in a couple of years.

Prize winners were happy with their cash prizes.

KCC players: they found both days very enjoyable, they liked the chance to mingle with players on a more social level and meet older, past members. The new Shirts are cooler to wear and it felt we were more connected through what we were wearing, previously there has been two or three versions of the Shirts worn on club days. The players also appreciated the catered lunch, a break from having to bring food on the Sunday.

Overall the Centenary was a good way of promoting the club to the community, we have had new players come since this event.

We are seeking funding to cover the delivery costs of our early intervention programme, Kiwi Can, in seven Te Hiku schools: Te Hapua School, Nga Taki School, Kaingaroa School, Peria School, Taipa School, Mangonui School, and Oruariti School. Kiwi Can provides tamariki with a safe and supportive environment to develop essential life skills, guided by our trained Kiwi Can Leaders, who serve as positive role models. We believe all tamariki should have the opportunity to reach their potential and thrive.

The remote locations of some of our schools result in significant mileage costs each term. To ensure consistent and reliable support, it is crucial that our Kiwi Can Leaders are on the ground, delivering hands-on, experiential learning activities. This funding will specifically contribute to Kiwi Can mileage costs during Term 3 and 4.

Kiwi Can delivers four key life skills across the school year; resilience, respect, positive relationships and integrity. These life skills are fundamental pathing the way for positive life pathways for our tamariki, and being from more isolated communities, they may not always have the same opportunities as tamariki from more urban areas to develop these skills. We want our tamariki to celebrate their individuality and have confidence and resilience to reach their full potential so they can become contributing members to their communities.

4239825	19/02/25	The drain for the BBQ water supply at the Awanui reserve playground is blocked. Stagnant water is pooling in the immediate grass area and is a health and injury risk. Follow-up RFS to THCB Chair Adele Gardeners RFS.
		I checked if repairs were carried out to the broken reserve car park bollard. What is happening is the horizontal ropes are removed as far back as the damaged bollard, the damaged bollard removed, and the rope reinstated across a now wider gap. This has been done in 2-3 places.
		With District Facilities team
4234138	09/01/25	After initial report in February's THCB Agenda in relation to Duncan Road that is currently being used by logging trucks with these numbers expected to grow. There is currently minimal signage to ensure the safety of the local road users let alone casual visitors to this area. A school bus travels this route twice daily and with the lack of signage, the increase in logging truck traffic. and the fact that this road has a blind corner, any accident could result in loss of life.
		Note Please advise if I should register the Blind corner as a separate RFS?
		Closed 14/1/25 Road Corridor Manager emailed CB member to discuss and contacted owner of logging company to put more signage out and advise drivers again to keep to the speed. A Traffic Management Plan is in place.
4231811	12/12/24	Dangerous hole in the grass access way, off Perehepe Road which leads to the walking track, down to Perehepe Beach. This exposed drain line was recently repaired via RFS but has once again failed and is a risk to public safety.
4227868	14/11/24	A large crack has occurred in the walking track from Perehepe Rd to Perehepe Beach. Recently a child fell in this and injured himself. This a major hazard to the public users and requires urgent attention. I have only been notified of this and hope that others have lodged an RFS in relation to this issue.
