This note is provided as a reminder to Members to review the matters on the agenda and assess and identify where they may have a pecuniary or other conflict of interest, or where there may be a perception of a conflict of interest.

File Number: A5107430

Author: Kim Hammond, Community Board Coordinator

Authoriser: Angie Thomas, Acting Chief Financial Officer

TAKE PŪRONGO / PURPOSE OF THE REPORT

To present possible options for the Bay of Islands-Whangaroa Community Board (The Board) to allocate their Pride of Place Funding 2024/25 at Te Puāwaitanga Sports Complex, Waipapa.

WHAKARĀPOPOTO MATUA / EXECUTIVE SUMMARY

- Te Puāwaitanga is set to be officially opened on 24 April 2025 with sports codes starting to play from 25 April 2025.
- Te Puāwaitanga is a sports hub with five playing fields which will be used by Kerikeri Football Club, Kerikeri Mako Rugby League Club and Kerikeri Cricket Club.
- To allow the above sporting codes to start playing at Te Puāwaitanga, sports furniture needs to be installed, and storage facilities provided.
- In addition, the sports hub would benefit from additional security (CCTV).
- These items were not part of the original scope of works for this part of Te Puāwaitanga.
- The Board has \$100,000 Pride of Place funding remaining for the 2024/25 financial year.

TŪTOHUNGA / RECOMMENDATION

That the Bay of Islands-Whangaroa Community Board allocate \$85,613.03 funding from their Pride of Place budget to:

- \$11,234.78 (excluding GST) towards the purchase of football goal posts and nets;**
- \$27,788.25 (excluding GST) towards the purchase and installation of league goal posts;**
- \$16,590.00 (excluding GST) for the purchase of three shipping containers and transportation to Te Puāwaitanga Sports Complex; and**
- \$30,000.00 (excluding GST) for the installation of CCTV at Te Puāwaitanga.**

1) TĀHUHU KŌRERO / BACKGROUND

Te Puāwaitanga currently consists of five fields to support league, football and cricket, a toilet/changing room block and associated infrastructure including on-site water and wastewater supply.

Council has not made decisions about the future for the rest of the property or the building of anything more on the sports hub site. From workshops held with Elected Members it was clear that the priority is focusing on the sports fields being completed and open for play from 25 April 2025. This piece of work is known as Stage One Workstream – to finish the current stage of the sport hub and have it open for use.

For the 2025 football, soccer and cricket season, Council and the relevant codes/clubs agreed to the following use of the sports fields. The training field will be shared between the clubs as shown below.

The Community Board had a brief workshop after their February 2025 meeting to discuss possible strategic funding of projects with their Pride of Place Funding 2024/25. Several options were discussed, and staff were asked to research options on what this funding could best be allocated to. This report relates to just Te Puāwaitanga, as this project has immediate identified options which would benefit the sports hub and its users. The options presented in this report will not require the full grant funds and leaves an amount still available to be allocated to other projects.

2) MATAPAKI ME NGĀ KŌWHIRINGA / DISCUSSION AND OPTIONS

Staff reached out to Kerikeri Football Club, Kerikeri Mako Rugby League Club and Kerikeri Cricket Club asking each code to provide what sports furniture and storage is required to be able to progress their use at Te Puāwaitanga for the 2025 winter season. Below is what each sporting code requested and the costs to each item.

All costs below exclude GST.

Kerikeri Football Club:

Kerikeri Football Club currently has a container located at Baysports, Waipapa that stores equipment (goals and nets, flagpoles, cones etc) for junior games. This equipment will need to be relocated to Te Puāwaitanga.

Two of the sets of junior goals do need to be replaced (one set is on loan from Kerikeri Primary School and so does not belong to the club). Below are the prices for the goals and nets that Kerikeri Football recommended:

Supplier:	Cost for four goals and nets	Installation and Delivery	Total cost
Inter Football	\$10,191.30	\$1,043.48	\$11,234.78
Perennial Sport and Turf	\$10,314.16	\$750.00	\$11,064.16

Mako Rugby League Club:

Kerikeri Mako Rugby League Club provided a detailed list that not only included sports furniture, but training/playing equipment as well. For this report, staff have gone through the list and will work with Kerikeri Mako Rugby League Club to look at other options for funding of the training equipment. The below prices are just for league goalposts:

Supplier	Cost per	Installation and Delivery	Total cost
SportsCare	\$14,320.00	\$13,468.26	\$27,788.25

Staff are still awaiting a quote from a current Council contractor who may be able to install the league posts at a cheaper rate. If this works out to be a cheaper rate, which is more than likely due to using a local contractor, then Council would opt for the cheaper option.

Kerikeri Cricket Club:

Kerikeri Cricket Club currently has two 20ft storage containers but will require three 20 ft storage containers in total.

Kerikeri Cricket Club has not requested any additional 'street furniture' as the cricket pitch has already been installed and will be fenced off during the winter season.

Shipping Containers/Storage:

One possible option is the purchase of a new 20ft shipping container for each code to store relevant sports equipment needed for when they use Te Puāwaitanga (i.e. 3 containers in total).

Each of the below prices includes a lock box for additional security. Sports codes will be responsible for the purchase of the padlock.

Both Sea Cleaners and Container Space store their shipping containers on-site at Mahalo Transport across the road from Te Puāwaitanga Sports Hub.

Supplier:	Cost per container	Total cost (3 x containers)
Sea Cleaners	\$5,492.52	\$16,471.56
Container Space	\$5,400.00	\$16,200.00
Mahola Transport		\$390.00

Additional options identified were also about the security of the sports hub. Te Puāwaitanga includes irrigated turf fields and onsite infrastructure (for both water and wastewater) which are at risk of vandalism. Te Puāwaitanga is located on State Highway 10 and is highly visible to the public. Security options are:

Closed Circuit Television (CCTV)

Installing CCTV, which provides security for the assets and can act as a deterrent to reduce antisocial behaviour. Staff received a quote for CCTV that covers the entry points to the carpark, the carpark itself, as well as the sports fields. The quote received is between \$25,000 to \$30,000.00.

Fencing

The Board also requested that fencing of the relevant areas be investigated. Council still has remaining capital works budget to cover this cost, and this work is planned to happen before the opening. Due to this, this cost has not been investigated or included in this report for a decision.

TAKE TŪTOHUNGA / REASON FOR THE RECOMMENDATION

Te Puāwaitanga is scheduled to be officially opened on 24 April 2025 with sports codes starting to play from 25 April 2025 for their first games of the season. Sports furniture, on-site storage, and

CCTV were not included in the original scope of works for Te Puāwaitanga. Providing these items will enable immediate use of the fields by the sports codes as well as additional security for the site.

3) PĀNGA PŪTEA ME NGĀ WĀHANGA TAHUA / FINANCIAL IMPLICATIONS AND BUDGETARY PROVISION

The Bay of Islands-Whangaroa Community Board has \$100,000 remaining in their Community Board Pride of Place Community Funding budget. The total amount sought is \$85,613.03 (excluding GST). This will leave \$14,386.97 remaining of grant funding.

This budget needs to be allocated before 30 June 2025.
