☐ Connected communities that are prepared for the unexpected
At least 1 choice must be selected.

How does your project meet the Community Outcome(s) you have selected above? *
The Te Paiaka Marae Touch Tournament contributes to multiple community outcomes.

Our event directly supports “We embrace and celebrate our unique culture and heritage and value it as a source of enduring pride” by providing an inclusive platform where whānau, hapū and iwi can express and strengthen Māori identity through sport, language, waiata, whakapapa and pepeha. This fosters cultural revitalisation and intergenerational pride.

It also advances “Proud, vibrant communities” by drawing together over 1,000 participants and supporters annually, reconnecting whānau and marae, and building leadership, teamwork and confidence through tamariki and rangatahi-focused activities.

The outcome “Communities that are healthy, safe, connected and sustainable” is met through promoting physical activity, whānau wellbeing, social inclusion and resilience. Our workshops, referee training, and youth skill-building contribute to long-term community capability.

Finally, the tournament aligns with “A wisely managed and treasured environment that recognises the role of tangata whenua as kaitiaki”. Kaitiakitanga is embedded in the event through recycling and composting, and by encouraging stallholders to use recyclable and compostable materials. These practices promote collective responsibility for our taiao.

In this way, the tournament strengthens cultural identity, whānau wellbeing, social connection, and environmental guardianship – creating enduring benefits across multiple community outcomes.
