Project Outline

Outline your activity and the services/experiences it will provide.

Who will benefit from your project and how? *
The Rawene Domain community building is jointly occupied by Hokianga Sailing Trust and Hokianga Community Gym. The roof and skylights have been leaking for some time and a building inspection confirms that some roofing sheets and skylights now need removing and replacing. In its present condition, a future extreme weather event has the potential to create further damage to the building.

The membership of both trusts will benefit from having a watertight building to protect both the users and the valuable equipment inside.

As joint user of the building, the Sailing Trust will meet half the cost of the project (the labour cost), and have chosen Richard Waldegrave as their preferred contractor, (hence one quote only).

We have also provided only one quote for the materials, as the roofing iron profile is exclusive to Totalspan. No other profile will fit the existing roofing, meaning we must use Totalspan iron.

Must be no more than 150 words.

What Community Outcome(s) does your project meet? *
☐ A wisely managed and treasured environment that recognises the role of tangata whenua as kaitiaki
☐ We embrace and celebrate our unique culture and heritage and value it as a source of enduring pride
☑ Proud, vibrant communities
☐ Prosperous communities supported by a sustainable economy
☑ Communities that are healthy, safe, connected and sustainable
☑ Connected communities that are prepared for the unexpected
At least 1 choice must be selected.

How does your project meet the Community Outcome(s) you have selected above? *
Both the Sailing Trust and the Gym provide sporting and recreational activities to the community. In the case of the Sailing Trust, there is no charge for teaching sailing skills in the weekend, and providing sailing lessons during the week to local schoolchildren. All safety equipment (lifejackets, rescue boat etc,) experienced tuition and sailing craft are provided free of charge.

The gym does have a membership fee to join, but at less than $3 a week, it is affordable for our local community. Members have 24/7 access to a fully equipped commercial standard gym, and classes and personal training available at no extra charge.

We are proud to be able to offer these services to the community.

Both trusts provide a place for members to meet and connect, promoting skills, health, well-being and community resilience.

We share a building, and it needs to be mould-free, and weathertight in all conditions, including in an extreme weather event. This is essential for us to provide a safe, clean, warm environment for our members, and to securely maintain all equipment, some of which is electronic.

Must be no more than 250 words.
