## Project Outline

### Outline your activity and the services/experiences it will provide.

#### Who will benefit from your project and how? \*

Local and district artists benefit through an accessible exhibition opportunity that supports creative participation, visibility, and modest income through art sales. The low-cost, small-format brief encourages broad participation, including emerging and first-time exhibitors.

The wider community benefits through free public access to a diverse exhibition of locally made art in a familiar, social setting. Affordable pricing allows residents and visitors to purchase original artworks, strengthening connections between artists and the community while supporting the local creative economy.

The project also benefits the Turner Centre by activating the Theatre Bar space, increasing foot traffic, and strengthening its role as a community cultural hub.

Must be no more than 150 words.

#### What Community Outcome(s) does your project meet? \*

- A wisely managed and treasured environment that recognises the role of tangata whenua as kaitiaki
- We embrace and celebrate our unique culture and heritage and value it as a source of enduring pride
- Proud, vibrant communities
- Prosperous communities supported by a sustainable economy
- Communities that are healthy, safe, connected and sustainable
- Connected communities that are prepared for the unexpected

At least 1 choice must be selected.

#### How does your project meet the Community Outcome(s) you have selected above? \*

The 100x100 Art Show contributes to proud, vibrant communities by celebrating the creativity of artists from across the Far North District and presenting their work in a highly visible public venue. The exhibition encourages community participation, conversation, and pride in local talent through an inclusive and well-loved annual event.

The project supports prosperous communities and a sustainable local economy by providing artists with direct sales opportunities and modest income, while also drawing visitors into the Turner Centre and surrounding businesses. The affordable price point lowers barriers to purchasing original art and broadens participation in the local creative economy.

By offering free access to a welcoming, informal exhibition space, the project strengthens community connection and wellbeing. It invites people of all ages and backgrounds to engage with the arts in a relaxed social setting, supporting cultural participation as part of a healthy and connected community. The ongoing success of the exhibition demonstrates its sustainability and value to both artists and the wider community.

Must be no more than 250 words.
