What Community Outcome(s) did your project meet?

- A wisely managed and treasured environment that recognises the role of tangata whenua as kaitiaki
- We embrace and celebrate our unique culture and heritage and value it as a source of enduring pride
- Proud, vibrant communities
- Prosperous communities supported by a sustainable economy
- Communities that are healthy, safe, connected and sustainable

Describe how your project benefited the community, met the outcome(s) indicated above and your evaluation of the project results *

1. We embrace and celebrate our unique culture and heritage and value it as a source of enduring pride

Savour Northland is built around celebrating local identity through food storytelling, regional ingredients, and manaakitanga. The programme showcased Northland-grown and produced ingredients including seafood, kumara, subtropical fruit, and Haku Kingfish, reinforcing pride in the region's natural resources and culinary capability.

The Savour Northland Challenge specifically encouraged venues to tell the story of Northland through dishes and local beverage pairings, strengthening connections between producers, chefs, and communities.

Increased regional event spread and first-time inclusion of Hokianga also helped ensure more communities saw themselves reflected in the festival.

Evaluation:

High levels of participation, strong ticket sales, and 97.2% attendee intent to return demonstrate strong community pride and connection to the festival.

2. Proud, Vibrant Communities

The festival created opportunities for communities to come together through shared food experiences, workshops, long lunches, tastings, and new events such as A Night with the Negotiant at The Sands, Omapere.

Community vibrancy was demonstrated through:

- Participation from 46 venues, many delivering multiple events
- Strong Far North engagement, representing 79% of total attendance
- High local engagement via social media (59.7%) and venue networks (26.4%)
- Strong satisfaction and repeat intention (97.2%)

The festival supported local businesses to collaborate rather than compete, building sector relationships and strengthening the wider community ecosystem.

Evaluation:

High attendance, sold-out events, and strong repeat intent indicate Savour Northland is becoming a key community calendar event that builds connection and pride.

3. Prosperous Communities Supported by a Sustainable Economy

Savour Northland delivered measurable economic impact through visitor spend, business participation, and tourism stimulation.

Key indicators include:

- 55.6% of attendees spent over \$100 at participating venues
- 26% of attendees booked accommodation
- 22.3% of attendees travelled from outside Northland
- 31 venues delivered multiple events, increasing revenue opportunities
- Off-peak timing supported seasonal economic boost for hospitality and tourism operators and increased employment opportunities, with many participants advising earlier onboarding of seasonal staff.

The programme also created long-term capability building through marketing exposure, collaboration, and increased confidence in delivering premium visitor experiences.

Evaluation:

Strong spend patterns, accommodation uptake, and visitor origin data confirm the festival contributes to regional economic resilience and tourism growth.

Whilst this may have been a first event for the Kaikohe-Hokianga district, it was an invaluable initial step. We have established incredibly strong relationships, shown other local operators how they can participate and already the ideas are flowing for 2026 and beyond.

Include how your project met the Council outcomes

Please provide details of how you acknowledged the funding you received from the Board (including any photos or marketing collateral) *

Community Board funding was acknowledged through multiple channels to ensure visibility and recognition of the Board's support:

- Inclusion of funding acknowledgement in printed Savour Northland programme and all marketing materials (flags, signage, posters, billboards etc)
- Recognition across digital channels including website and social media where applicable plus logo placement on every printed advert in NZ Herald / Northern Advocate
- Verbal acknowledgements at launch events and key activations where appropriate
- Inclusion in stakeholder and partner communications
- Funding directly enabled the establishment of Info Hubs, including signage, flags, and distribution materials across the Far North, increasing public access to festival information and supporting long-term reusable infrastructure for future years (nothing was dated and can be reused)

This support was instrumental in expanding reach, improving accessibility, and strengthening visitor navigation across the region.
