The primary beneficiaries of this project are Rangatahi aged 12-24 years from Kaikohe and the wider Mid North communities. Young people will benefit through increased opportunities for positive social connection, physical activity, skill development, and youth voice participation in a safe and inclusive environment.

Rangatahi will also benefit from increased access to supportive services and positive role models, including community organisations, youth providers, and cultural leaders present at the event. This promotes health literacy, awareness of local supports, and stronger pathways to wellbeing services.

The wider community will benefit through the promotion of healthy lifestyle choices, safe recreational opportunities, and positive youth development, contributing to long-term social wellbeing and stronger community connectedness.

Must be no more than 150 words.

#### What Community Outcome(s) does your project meet? \*

- A wisely managed and treasured environment that recognises the role of tangata whenua as kaitiaki
- We embrace and celebrate our unique culture and heritage and value it as a source of enduring pride
- Proud, vibrant communities
- Prosperous communities supported by a sustainable economy
- Communities that are healthy, safe, connected and sustainable
- Connected communities that are prepared for the unexpected

At least 1 choice must be selected.

#### How does your project meet the Community Outcome(s) you have selected above? \*

This project contributes directly to building proud, vibrant communities by creating a positive, youth-focused event that celebrates rangatahi voice, participation, and achievement. By providing opportunities for young people to showcase their strengths, creativity, and leadership, the event helps foster community pride and a stronger sense of identity and belonging.

The project promotes healthy communities through structured physical activities, practical life-skills challenges, and clear wellbeing messaging within an alcohol-free, smoke-free, and drug-free environment. Rangatahi are supported to make positive lifestyle choices while engaging in safe recreation that benefits both their physical and mental wellbeing.

It strengthens community safety by offering a well-organised, supervised space where young people can gather, socialise, and participate in meaningful activities. This helps reduce risk-taking behaviours by providing constructive alternatives and trusted adult and community presence.

The event enhances connection by bringing together rangatahi, whānau, kaumātua, community organisations, and youth services in one shared space. These interactions support stronger relationships, increased awareness of available supports, and a more cohesive community network.
