GENERAL INFORMATION

- Proposed names are to be submitted for **new roads in subdivisions** to Environmental Management with the application for resource consent.
- Proposed names are to be submitted (in writing) for **existing legal but unnamed roads**, to the Administration Officer, Infrastructure & Asset Management Department.
- Proposed road **renamings** are to be submitted in writing. Requests from outside of Council must provide information and background as to why the road should be renamed. Written consent from affected residents and owners must be obtained.
- The proposed names will be checked against Council's Roading database to avoid duplication.
- Liaise with the iwi when using Maori names and provide supporting document of their approval.
- Several names (3 are recommended) should be submitted for each road or accessway, in order of preference in case of rejection

- Personal names are to be discouraged unless the name submitted has a historical connection with the property being subdivided, or are that of a well-known identity or prominent Far Northerner, or New Zealander
- It is Council's prerogative under Section 319(j) Local Government Act 1974 to name streets and the Council may refuse to approve names considered unsuitable
- Where more than one road is being created in a subdivision, a common theme is recommended for road names
- Private road names are considered by Council. They will need to meet Council's Signage Guidelines (white background with blue lettering rather than the Council maintained roads which have blue background with white lettering).
- Names are to be chosen in proportion to the type of road, and in accordance with the Naming Guide at the end of the form
- If you are unsure if the road you want to name is a Council maintained road or private road, please contact the Infrastructure & Asset Management Department.

SUBMISSION BACKGROUND

First Choice - Ara Lane

- The name 'Access' Road is quite unique and has high awareness in the area. As we could not use the name Access Lane we have researched the web and dictionaries and the name 'Ara' stands out.
- It is warm in sound, easy to spell and flows well, simplifying verbal description of our location "Ara Lane off Access Road".
- Ara in Maori is a noun meaning way, path, lane, passageway, track, course, route. A direct relationship to Access and hence combining Maori and English in a complimentary way
- Kerikeri is a wonderfully multicultural society and in our lane alone, we have a number of owners of international heritage and 'Ara' has meaning as a name, place name or word in other languages/countries.
- As we all know the skies over 41 Access Road and Kerikeri are captivating and the 'Ara Constellation' is in our Southern skies.

Second Choice - Te Ara Lane

- 'Te' meaning 'The' more formalises 'Ara' and is based on the above background for 'Ara'

Third Choice - Tahi Lane

- Maori word meaning 'one' and indicates actions together, simultaneously, as one. This describes the collaborative working of the current/future lane dwellers/owners to name this lane
