- **The community of Russell, the Bay of Islands and the Far North**

This is a volunteer event which was enthusiastically supported by the community and businesses of the Far North when we ran it for the first time in March 2019. We are confident that it will again will be a great success as it is being eagerly anticipated. We intend to put on another fun night at the Duke and through this our network of local and nationwide businesses and organisations can only grow stronger. Resilient Russell Charitable Trust firmly believes that with these awards, Russell is showing the Far North that sustainability is a collective responsibility while at the same time recognising those who play their part in this region of New Zealand to try to achieve that.

Our local artists

We again plan to have the trophies for our awards night to be made from environmentally sustainable materials. The aim is to encourage our young and developing local artists to make these trophies unique to our culture and environment. We also encourage the creativity of children and adult entrants in the fashion show awards to showcase their talents by designing and wearing garments from recycled materials.

Broadening the range of activities and experiences available to the community

We believe these are the only awards specifically acknowledging the Far North's innovative and determined waste minimisation and environmental support practices. This is a big event for a small town (around 150 people attending and around 20 directly involved). Following last year's success we intend it to become an annual event that attracts entrants from all parts of the Far North from Towai to Cape Reinga and nationwide. We believe it celebrates our quiet achievers in a unique way that also reflects the growing awareness of our residents and businesses that we have a responsibility to do everything we can to preserve our unique and beautiful environment for the generations to come.
