Issues

CHERRY PARK HOUSE

There are a number of issues surrounding the Cherry Park House Committee. At the AGM the Chair resigned from the committee. The new Chair is Richard Lawty.

There are a number of issues around security that I am taking up with Council on their behalf.

I will comment further on the committee at our meeting on 6 August.

DAFFODIL DAY 2020

For my sins I am the Kerikeri co-ordinator for the Cancer Society's Daffodil Day fund raising activities. This involves street collection points, fund raising lunches and dinners, and various other activities around the town on the day. It may be a chance for members to be seen assisting on the day. All good for local PR.

BOY RACERS

I have had an approach about “boy racers” in the Inlet Road and Shepaerd Road areas. There is not a lot we can do as the problem is largely a “noise control” issue, and the local security people can never get there before the “boys” move on.
