Project Details

Which Community Board is your organisation applying to (see map Schedule A)?

☐ Te Hiku ☐ Kaikohe-Hokianga ☒ Bay of Islands-Whangaroa

Clearly describe the project or event:

Name of Activity Date
Location Time

Will there be a charge for the public to attend or participate in the project or event? ☐ Yes ☐ No

If so, how much?

Outline your activity and the services it will provide. Tell us:

- Who will benefit from the activity and how; and
- How it will broaden the range of activities and experiences available to the community.

Hapori Aquatics, a partnership between CBEC - Community Business and Environment Centre and Belgravia Leisure have been managing the Bay Of Islands Recreation Centre since 1 May 2020.

The aim of Hapori Aquatics and the Rec Centre is to encourage the local community into active recreation and sport, enrich lives and create wellbeing through play, exercise and fitness.

Membership has quadrupled since May 2020 to 221 members. Monthly visits to the facility are now averaging over 3000. While receiving the Covid wage subsidy in May 2020 our staff completed painting large areas of the facility to make it more appealing to members. We would like to continue to improve the facility to attract and retain even more community members.

The contract to manage this facility (and three seasonal pools at Kerikeri, Kaikohe & Kaitia) is extremely lean with Far North District Council providing funding for the Pool side of the contract, memberships are meant to keep the gymnasium running but do not provide the cash flow for capital improvement. Hapori has spent a considerable amount of money (over 100k) on new gym equipment, painting the Mezzanine cardio area, painting the meeting room, providing mirrors and posters etc for the gym area.

Any capital improvements for this building come from Sport Northland who apply for funding for any works required. They have not successfully secured any funding for any building improvements this financial year.

We have been running a Customer Satisfaction Survey and have had many requests for heaters in the changerooms which are freezing cold in the winter. There are many elderly or disabled users of the changerooms.

We also need to replace windows in the second floor of the new cardio area as the old ones are unsafe and have been sealed shut due to health and safety issues. This area also has chipboard floor which is in a bad state and we have got a very reasonable quote for laying carpet in this area.

We do not have an annual financial return yet as our first end of financial is due on 1 July 2021. We have attached a Profit and Loss for the Kawakawa facility which shows a small profit in the 12 months to date. We did expect to have a small loss in the first year of this contract as we have made considerable investments as mentioned above. This contract is a 3 year term with a 3 by 3 by 1 year renewal clause.
